

FORM FOR SUBMISSION OF BID

Jerusalem Development Authority

re : Tender No. 5/20 - Pre-qualification (P.Q.) process

For selection of promoter to design, build, operate, maintain and deliver a cable car funicular for the Old City of Jerusalem

We the undersigned, after having carefully read the Invitation to submit bids for participation in the pre-qualification stage, together with all the appendices thereto, in the scope of a Tender for the selection of developer to erect, operate, maintain and deliver cable car funicular for the Old City of Jerusalem hereby declare:

1. We hereby declare that we have read and understood everything stated in the Tender documents including all the particulars thereof, without exception, and that we have carried out all the requisite and/or the necessary examinations for submitting this bid of ours, and that we have examined all the other factors which affect the expenses of the Project and that we based our bid in accordance therewith. In this bid of ours we did not rely on representations, publications, statements or any promises that were made verbally by the Jerusalem Development Authority (hereinafter: "**the Customer**") and/or its employees and/or anyone on its behalf, but only on what is stated in the Tender documents. We hereby further declare that we agree to everything stated in the Tender documents, without any qualification or change, and that we will not make any claims or demands that are based on allegations of misunderstanding or any lack of knowledge of the invitation documents, and we hereby waive such allegations and arguments in advance.
2. We declare that we possess the knowhow, the expertise and the experience required for performing the works and the Project which are the subject of this Tender.
3. We declare that we hold all the permits, approvals, authorizations and the licenses required according to any law for the performance of all the obligations of the winner in the Tender.
4. We declare that we and everyone acting on our behalf meet all the conditions demanded from the participants in the Tender, and that this bid of ours answers all the requirements in the Tender documents.
5. By our signing the Tender documents, we declare that all the facts and the representations which have been given by us during the course of the Tender, are correct and accurate, including at the date of submission of the bid, and will remain that way at any future time and form an integral part of our bid. We declare that we are aware that the above declaration serves as the basis for the Customer's agreement to our participation in the Tender and that the Customer reserves the right to check and

examine all the above mentioned representations at any time, including during the Request for Proposals stage and including after notification of the winner. We are aware that in the event of a non-conformity or defect of any sort, the Customer will be entitled, in its absolute discretion, to disqualify our bid and/or to hold forfeit the bidder's guarantee which will be submitted in the submission of bids stage and/or to cancel the contractual arrangement with us and/or to take any other action, and we will not have any allegation or argument in this connection.

6. This bid of ours is irrevocable and cannot be cancelled, altered or amended and it will be valid and will bind us during a period of 120 days from the last date for the lodgment of bids in the Request for Proposals Stage (the R.F.P. Stage), or up to another time that will be specified in the scope of the Request for Proposals Stage in the Tender, whichever is the later, and the Customer will be able to accept it at any time prior to the end of such period. The force and validity of this bid of ours will be extended, even beyond the abovementioned period, upon the Customer's request. Nothing in the foregoing shall oblige a participant who submits a bid in the Pre-Qualification Stage to submit a bid in the framework of the Request for Proposals Stage in the Tender.
7. We are aware that the Customer is entitled, in its sole and absolute discretion, to cancel the Tender proceedings at any time, and explicitly including after lodgment of the bids in the Pre-Qualification Process, and in the Request for Proposals Stage (R.F.P.) in the Tender, and until such time as a contractual agreement has been signed with any of the bidders in the Tender, and we waive any argument or allegation with regard to the Customer's discretion and/or expenses that may be incurred by us as a consequence thereof.
8. We declare that this bid of ours is being submitted in good faith and without agreement or connection with other persons or bodies who are submitting bids in the Tender, subject to the provisions of the Invitation document.
9. We declare that the Bidder, including partners in a Joint Venture and shareholders in an SPC corporation, and every officer and interested party in them, are not "a resident" or "a citizen" in a country or state that does not maintain diplomatic relations with the State of Israel.
10. We declare that our bid comes within the scope of the objects and the powers and authorities specified in the documents of incorporation of the corporation in whose name the bid is submitted, that we are entitled to sign this bid in the name of the corporation and that there is no bar or impediment according to any law or agreement to our signing this bid.
11. We are aware that in the scope of the Request for Proposals Stage in the Tender (R.F.P.), the Customer will be entitled to alter and/or update and/or add conditions and provisions, and we waive any argument or allegation pertaining to each of the actions and alterations the Customer may make, including expressly a plea of reliance.
12. If the Bidder is a joint venture: by our signing below, we agree to all the conditions and provisions of the Tender documents and the agreement, and it has been explained to us that our obligations are joint and several by mutual guarantee. We hereby expressly waive any argument and/or reservation of any sort likely to arise from the fact of the bidder being a joint venture, and any action the Customer may take in accordance with the provisions of the Tender documents and the contractual agreement that will be signed with the winner of the Tender, including foreclosure on guarantees of the bidder at the submission of bids stage and in general).
